WORD MEANINGS

Read the meanings, then try using a new word in a sentence.

**Austere**
Very plain or strict, with few comforts or decorations.

**Benign**
Gentle or harmless.

**Coerce**
To force someone to do something by pressure or threats.

**Enigma**
Someone or something that is mysterious and difficult to understand.

**Furtive**
Secretive, often because you do not want to be noticed.

**Lucid**
Clear and easy to understand.

**Nuance**
A small but important difference in meaning, feeling or appearance.

**Ostentatious**
Designed to attract attention by showing off wealth or importance.

**Pragmatic**
Practical, focusing on what will work in a real situation.

**Quell**
To calm or put an end to something, such as fear or a disturbance.

**Reticent**
Unwilling to say much about your thoughts or feelings.

**Stoic**
Calm and uncomplaining when facing pain or difficulty.

**Tenacious**
Determined to keep trying and not give up easily.

**Unequivocal**
Completely clear, leaving no doubt about what is meant.

**Zeal**
Great enthusiasm and eagerness for something.
