

Traffic Lights – Game Rules

Objective

Zoom your way from the outside of the board all the way to the centre! Travel from Square 1 to Square 85 — and be the first player to land **exactly** on Square 85 to win.

How to Start

Everyone begins **off the board**, waiting at the starting line. On your turn, roll the dice.

- Roll a **1** → move onto **Square 1**
- Roll a **2** → move onto **Square 2**
- And so on... Once you're on the board, you're officially in the race!

How to Play

On your turn:

1. Roll the dice
2. Move forward the number of spaces shown
3. If you land on a coloured square... brace yourself!

IMPORTANT Traffic Light Squares

Green – GO!

Vroom! Speed ahead **6 extra spaces**.

Red – STOP!

Screech! Reverse **6 spaces**.

Amber – WAIT!

Uh-oh... your engine stalls. **Miss your next turn**.

Winning the Game

To win, you must land **exactly** on Square 85. If you roll too high, you wait on your space!
