

Harper

(Pronounced: *HAHR-per*)

Origin: Originally an English surname, Harper means “harp player” or “minstrel.” It dates back to the Middle Ages, when harpists were storytellers and musicians, symbolising creativity, harmony, and expression.

In modern times, Harper has transitioned beautifully from a surname to a given name, becoming especially popular for girls. Its popularity was further elevated when David and Victoria Beckham chose the name for their daughter in 2011, giving it a stylish and contemporary spotlight.

Those named Harper are often seen as expressive, confident, and compassionate, with a natural flair for creativity and individuality. With its melodic sound and artistic heritage, Harper remains a name that embodies grace, authenticity, and modern elegance.
